Registration Policy

Registration Deadline- The complete registration costs must be paid in full by the registration deadline in order to compete. Registration is due 3 weeks prior to the scheduled competition date in order to avoid late fees. If payment is received after the registration due date, however within 2 weeks of the competition date, a \$10 late fee per competitor must be added to the registration fee in order to complete the registration. The late fee, in addition to the registration fee, **must** be received within 2 weeks of the competition date or your team **will not** be able to compete. No registration will be accepted 1 week prior to the scheduled competition date. In the event that partial payments have been received by Shake It Up, Inc. and the team or competitor has failed to produce the full registration payment in addition to all late fees that apply within 2 weeks of the competition date, the registration will be considered null and void. A 10% administration fee will be withheld and 90% of funds received will be refunded to the team or competitor. You can choose however, to cancel your registration and apply partial registration payments that have been received to another Shake It Up, Inc. competition date.

Change Fees- In the event that changes need to be made to a processed registration application, a \$50 fee will be assessed for each change. In the event that level changes are made, a \$100 fee will be assessed.

Cancellation- In the event that your team or competitor need to cancel their registration for the scheduled competition date and it is prior to the 3 week registration deadline, Shake It Up, Inc. will refund 90% of payments received and charge a 10% administration fee. Or the team or competitor does have the option to apply the paid registration to another competition of the competitor or team's choice. If the team or competitor is canceling after the 3 week deadline, we will credit your team or competitor and apply the paid registration to another competition of the competitor or team's choice. After the 3 week registration deadline has passed, no refunds will be provided.

Policy Agreement must be signed before your registration will be processed.
